Email & Whats App	–	Module Materials with Guide Support through email & whats app voice /text messages

- ✓ Highly practical and delivery-focused - Covers red flags, interventions, methodology, what to teach + how to teach and covers all what is required to train or empower a neurodivergent child
- ✓ The certification course includes 12 mandatory modules and an additional set of 40+ optional modules. The prescribed course fee covers only the 12 mandatory modules.
- ✓ You need to select 12 modules from the below list as mandatory modules. If you wish, you may choose any number of optional modules by paying the corresponding additional fee per module.
- ✓ Selecting optional modules is completely voluntary — you may also choose to complete only the 12 mandatory modules by paying just the standard course fee.

86301	Foundations of Neurodiversity & Inclusion - Introduces the neurodiversity paradigm and strengths-based perspective.
